

- Four friends brought their favorite bowling ball to play bowling together. How many points did the Blue Ball's owner score?
1. Kelly, the player who scored 100 points, and the player who scored 95 points are three different players.

2. The gold ball weighs 15 lb.

3. Josh's ball is black.

4. The player who scored 100 points, Paula, and Josh are three different players.

5. Paula scored 10 points less than the player who owns the 14 lb ball.

6. The player that scored 100 points is either the owner of the green ball or the owner of the 15 lb ball.

7. The owner of the heaviest ball scored 5 points less than the player who has the green ball.
