

Four matryoshki (Russian dolls) are nested inside each other. Each doll has one color and a specific amount of flowers painted on it. Find out which one is the smallest matryoshka.

- Oksana is in contact with the white doll only.
- Anastasia is either painted in blue, or she is decorated with 5 flowers.
- Karina and the medium doll have a total of 9 flowers. The other two dolls are the yellow one and the small one.
- The doll with 3 flowers is larger than Feona.
- Feona has 1 less flower than the doll it is directly contained in.
- The red doll has 1 less flower than the yellow one.
- The medium doll isn't red.
