

Four kids are learning new tricks with their skateboard. Which one of them is the youngest?

- Exactly one of the kids has the same initial in their name and in the color of their board.
- Among Roland and the 13-year-old kid, one of them is learning the nollie, the other has a yellow skateboard.
- Yasmin is one year older than Geremy.
- Alfred and the 11-year-old kid are learning flips.
- The kid learning the heelflip is 1 year younger than the kid learning the nollie. Neither of them has the red board.
- The black skateboard belongs to the 11 or 12-year-old skater.
- The kid on the green board is either learning the nollie or the kickflip.
- The 12-year-old is Roland or has the black board.
