

Four friends went trick or treating on Halloween, and each of them collected their preferred candy type. Who got more?

- Greg collected lollipops or taffies.
- Lucas collected 2 ounces more than a girl.
- Exactly one kid has the same initial in his/her name and costume name.
- The zombie collected 4 ounces more than the kid who collected lollipops.
- The ghost and the vampire collected 26 ounces.
- Lucas collected bubble gum or was the skeleton. However, he didn't collect jellies.
- The jellies were collected by the zombie, or they weighted 10 ounces.
- Samantha was the skeleton or the vampire. She collected 2 ounces more than Greg.
- The skeleton collected taffies or jellies.
- The vampire didn't collect 14 ounces. The bubble gum wasn't 16 ounces.
- Zoe wasn't the ghost.
