

Bandits preyed on the Wild West before they were captured and bounties were collected. Only one of them escaped and fled without being caught in the USA. Can you figure out who was him?

- Exactly one of the bandits has the same initial in the county where he lived and in its forename or surname.
- Exactly one of the bandits has the same initial in the place where he ended his days, and in its forename or surname.
- The reward against Allison was immediately lower than the reward on Cassidy's head.
- Johnny Ringo was captured in Arizona or his bounty was \$ 500.
- The county of Lincoln issued a reward of \$ 500 or \$ 5000 against its bandit. The Cochise County didn't issue a bounty of \$ 3500.
- A total of \$ 6250 have been paid: one of the bandits fled without being captured.
- Billy the Kid was captured while he was in Bolivia or in New Mexico.
- Billy or Johnny lived in Lincoln.
- Two of the bandits have been captured in New Mexico and in Arizona. The third captured one was from Colfax.
- The bandit which lived in Cochise had higher bounty than the bandit from Colfax.
- Butch Cassidy didn't go to Texas.
