At the Zoo - Logic Grid

In a sunny day four kids visited the zoo to see their favorite animal. Which hat is the 12 years old kid wearing?

1. Only the 10 years kid has the same initial in its name and in its beloved animal.
2. Gabriel either has a green hat or loves the gorilla.
3. The crocodile either is Zaira's favorite, or of the kid with the white hat.
4. Nor Gabriel nor Lucas are 12.
5. Gabriel is 1 year older than the kid with the red hat. Neither of them love the zebra.
6. The kid with the blue hat likes lions or zebras, and is not 13 years old.
7. The kid with the green hat either likes lions or is Charlotte.
8. The 10 years old doesn't have the blue hat.
