

Four children borrowed a book from the library. Which one got the largest one?

- If Janet got a history book, then the fantasy has 350 pages.
- The thriller is 50 pages larger than the book borrowed in May, but 50 pages shorter than Anthony's choice.
- A girl borrowed a book in May, the other girl got a history book. Janet didn't get the shortest book.
- Exactly one of the customers shares the initial in the name and in the month he/she got a book.
- The fantasy book is 50 pages larger than Mark's book.
- Neither a fantasy book nor a romance one were borrowed in June.
- The largest book and the romance one have been borrowed in consecutive months.
- If Mark borrowed a book in April, then the fantasy book is 400 pages long.
