

Torchbearers - Logic Grid

Bearing the Olympic Torch is one of the greatest honors for an athlete. Who was chosen to light the sport's fire in 2000?

1. Muhammad was chosen one edition after the Spanish athlete.
2. Cathy Freeman was Australian or from USA, but she didn't hold the torch in 1992.
3. Australia hosted the games 4 years before Greece.
4. Among the runner and the boxer, one was from USA, the other was chosen in 2000.
5. Nikolaos was an archer or he was from Greece.
6. The boxer was chosen one edition after the archer.
7. The Greek and the professional runner held the torch in consecutive editions.
8. Antonio Rebollo was an archer or a windsurfer. He wasn't chosen in 2004.
9. Nikolaos held the torch in 1992 or 2004.
