

Valentine's Day - Logic Grid

To celebrate Valentine's Day, four couples went to watch a movie. Each couple picked a genre to see and watch it in a specific theater. Which theater was the Musical projected in?

1. Only one couple has the same initial in their names, and they watched a Musical.
2. Nobody went in the theater with the same initial as his/her name.
3. Anthony didn't watch a Romance nor a Thriller.
4. Sci-fi, which was not in theater A, wasn't watched by Anne nor Dahlia.
5. Among Celine and Daniel, one of them watched a Thriller, the other was in theater A.
6. Anne didn't watch a Thriller. Carl didn't watch a Musical. Bernadette didn't go to theater D.
7. Bruce and Carl didn't sit in nearby theaters.
