

Dart Game - Zebra Puzzle

At a local pub, five friends are casually playing darts. They have different ages and occupations, and are drinking beers from different countries. Can you find out their favorite beer and who scored more after three throws?

Dart: black, blue, green, red, yellow

Name: Arnold, Danny, Gregg, Louis, Mike

Score: 29 points, 33 points, 38 points, 46 points, 65 points

Beer: American, Belgian, Dutch, German, Irish

Food: angus beef burger, buffalo wings, onion rings, pajita wrap, supreme nachos

Occupation: carpenter, gardener, librarian, optician, translator

	Player #1	Player #2	Player #3	Player #4	Player #5
Dart					
Name					
Score					
Beer					
Food					
Occupation					

- The Optician is at the fourth position.
- Gregg is exactly to the left of the player who did the highest score.
- The player that used Green darts is somewhere to the right of Mike.
- The Translator is next to who played with Red darts.
- The one that used Yellow darts is somewhere between the Librarian and Arnold, in that order.
- The man that did 38 points is somewhere to the right of who played with Red darts.
- At the first position is the guy drinking German beer.
- The player who used Yellow darts is somewhere to the left of the player drinking Irish beer.
