

Four inventors from different countries launched their new games at a game convention. Which genre was the best selling?

- The European games sold 7000 copies at all.
- The racing game's rating was exactly 1 higher than the game which sold 3000 copies, and exactly 1 lower than the game from the USA.
- The space game wasn't from Germany. The solitaire game wasn't the best rated one.
- If the French game sold 2000 copies, then the German game was about economy.
- The Canadian game sold more than the space game, but it had a lower rating.
- Germany game wasn't the best seller, and the French game wasn't the best rated. The Canadian game didn't earn an 8.
- Among the game from the USA and the game with an 8, one sold 2000 copies and the other was about economy.
- If a race game was made in Germany, then it was better rated than the space game.
