

Each samba school showed a different theme and had different amount of dancers. Which school had the largest group?

- The Salgueiro had 25 more dancers than the second school, but 25 less dancers than the school which introduced the Serpente Encantado.
- The Imperatriz did its show immediately after the Salgueiro.
- The first and third school had a total of 225 dancers.
- The Xingu theme was presented by more people than those from Grande Rio.
- The Mocidade wasn't the first and didn't show the Inferno theme.
- The school with 100 dancers has shown the Inferno or started first.
- The third school didn't represent the Xingu theme. The fourth school wasn't Grande Rio.
- If the Xingu theme was danced by 150 dancers, then Imperatriz did it.
